INDEPENDENT AUDITOR'S REPORT

To the Trustees of the  
Friends of Mount Auburn Cemetery  
Cambridge, Massachusetts

We have audited the accompanying financial statements of the Friends of Mount Auburn Cemetery (a nonprofit organization), which comprise the *statements of financial position* as of March 31, 2017 and 2016, and the related *statements of activities* and *cash flows* for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Friends of Mount Auburn Cemetery as of March 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

FRIENDS OF MOUNT AUBURN CEMETERY

NOTES TO FINANCIAL STATEMENTS

March 31, 2017 and 2016

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organizational purpose

The Friends of Mount Auburn Cemetery (the Friends) was organized in 1990 under the laws of the Commonwealth of Massachusetts as a non-profit charitable trust promoting the appreciation and preservation of the cultural, historic and natural resources of Mount Auburn Cemetery.

Basis of accounting

The Friends prepares its financial statements on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles. The statements have been prepared to focus on the Friends as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions.

- Unrestricted: For Current Operations - This is the Operating Fund used for the general purposes of the Friends.
- Unrestricted: Funds Functioning As Endowment - This is a quasi-endowment fund, the income of which is utilized for the general purposes of the Friends. While the Board of Trustees has established quasi-endowment funds for the same purpose as endowment funds, any portion of quasi-endowment funds may be expended.
- Temporarily Restricted - This fund represents donor-restricted contributions and grants that are yet to be expended for their designated purpose.
- Permanently Restricted - This is an endowment fund, the income of which is restricted for the maintenance and preservation of the grounds of Mount Auburn Cemetery, including structures. The principal of this fund shall not be used for any of the general purposes of the Friends.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

FRIENDS OF MOUNT AUBURN CEMETERY

NOTES TO FINANCIAL STATEMENTS

March 31, 2017 and 2016

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and cash equivalents

For purposes of the Statement of Cash Flows, the Friends considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.

Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a qualifying expenditure occurs or a time restriction expires, temporarily restricted assets are recognized in unrestricted net assets as "net assets released from restrictions" in the Statement of Activities.

Donated Facilities

The Friends receives free use of office space and equipment at Mount Auburn Cemetery. The market value of these facilities has not been quantified, so there is no contributions-in-kind or donated facilities expense currently recorded.

Expense allocation

Expenses by function have been allocated between program and supporting services classifications on the basis of estimates made by the Friends' management.

Fair Value of Investments

The Friends carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the Statement of Financial Position. The Friends believes that the carrying value of its investments is a reasonable estimate of fair value as of March 31, 2017.

Endowment

The Friends' endowment includes both donor-restricted funds and funds designated by the Board of Trustees to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

FRIENDS OF MOUNT AUBURN CEMETERY

NOTES TO FINANCIAL STATEMENTS

March 31, 2017 and 2016

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Board of Trustees of the Friends has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Friends classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Friends in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the Friends considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Friends, and (7) the Friends' investment policies.

Income tax status

The Friends is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Friends qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(1). The Friends is required to assess uncertain tax positions and has determined that there were no such positions that are material to the financial statements. Any changes in tax positions will be recorded when the ultimate outcome becomes known. The Friends tax returns are subject to examination by the Internal Revenue service for the years ended March 31, 2016, 2015, and 2014.

Pledges Receivable

Pledges receivable represents the amount due to Friends of Mount Auburn from donors who pledge future cash contributions to the Friends.

Reclassification

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

FRIENDS OF MOUNT AUBURN CEMETERY

NOTES TO FINANCIAL STATEMENTS

March 31, 2017 and 2016

NOTE B - RELATED PARTY TRANSACTIONS

The Friends and the Proprietors of the Cemetery of Mount Auburn (Cemetery) have some common Trustees.

The Cemetery is a corporation organized under the laws of the Commonwealth of Massachusetts in 1835 and is a tax-exempt organization under Section 501(c)(13) of the Internal Revenue Code. For the years ended March 31, 2017 and 2016, the Cemetery contributed \$517,580 and \$472,216, respectively, to the Friends' payroll costs.

During the periods ended March 31, 2017 and 2016, the Friends made grants to the Cemetery of \$1,608,930 and \$1,538,328, respectively to preserve, improve and interpret its horticultural and historic resources. In addition, the Friends, using its own funds, provided the Cemetery with a wide variety of publications and a large number of public interpretive programs.

As of March 31, 2017 and 2016, amounts due to the Cemetery were \$28,096 and \$36,723, respectively.

Pledges Payable of \$2,860 and \$22,889 for the years ended March 31, 2017 and 2016 are payable to the Cemetery. These funds were raised by the Friends for the building of the Greenhouse.

NOTE C - INVESTMENTS

The Financial Accounting Standards Board (FASB), issued FASB ASC 820 *Fair Value Measurements and Disclosure*, which establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities.

*Level 2*

Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

*Level 3*

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.
