PREMIUM LOCATIONS

Mount Auburn Cemetery has a limited selection of premium lots and single grave locations that permit the placement of an upright memorial. The pricing for select grave locations starts at \$75,000 for a single grave that accommodates two caskets.

SPECIAL MEMORIALS

Mount Auburn Cemetery offers a variety of special memorial options. For over 175 years we have been providing a beautiful and tranquil setting for private memorials commemorating the lives of family members and community leaders. Today, with interment space at a premium and an increasing concern for the preservation of our unique landscape heritage, the Cemetery encourages the use of existing features for celebrating the lives of loved ones. In addition to the three options described below, we also have a limited number of other memorial opportunities, such as stained glass windows, special garden areas or other unique features.

Special Memorial: Memorial Trees

You may select one of Mount Auburn's magnificent trees as a living memorial to a loved one. A memorial plaque on the tree is provided for a specific length of time with the name and dates inscribed. If you have a particular favorite tree that meets our criteria, we will be happy to consider it.

\$ 2,500 and up

Special Memorial: Memorial Flower Beds

Over the years, Mount Auburn's natural beauty has been augmented by many flower beds both on private lots and on land reserved by the Cemetery as ornamental grounds. Now that private lots are increasingly rare, we offer the opportunity to select one of the Cemetery's own flower beds as a personal living memorial.

\$ 5,000 and up

Special Memorial: Memorial Benches

This program allows you to select a teak or granite bench as a memorial. You may pick the location of your choice from the list of available sites, and we will engrave the name and birth and death dates of the person you select on a plaque fastened to the bench.

\$ 4,000 and up
